ROBINSON FOR BOND ISSUE

Principal of Colored School States Position of Many of His Race.

J. W. Robinson, colored, principal of the colored schools, writes favoring the bond issue as follows: It will not be very long before the voters of Clarksburg will be called upon to cast their ballot in manifestation of their opinion as to the advisability of the city issuing bonds to secure money for the much needed improvements of this growing and prosperous city.

In the first place, I wish to express my approval of the issuing of these bonds and at the same time express the hope that my people will examine into the merits of this project and if convinced that it is a worthy cause come out and vote in its favor.

This is purely a non-partisan movement and I feel that all the citizens should have an interest in making it possible for the city to make improvements which will not only add to the comfort of our growing population, but will also eliminate the source of the germs of disease caused by our imperfect water system.

Improvement of streets will enhance the value of property.

When one considers that eight years ago there was practically no paved streets in this city, he must admit the work of improvement has been carried on as rapidly as could be expected and this has been done without any extra burden to the taxpayers. In most cities improvements are made by a special levy being laid upon the property of the taxpayers, but this has not been the case with Clarksburg.

There are at least two demands which the humble citizens are making of our solons, the first is that if the bond issue is successful, improvements should not be confined to any particular part of the city but they should be made wherever most needed, so that the common taxpayers may reap some of the benefits as well as a certain class of citizens who live on the most prominent streets.

The second demand is that in letting the contracts for making these improvements, preference should be given to men who will employ our own citizens to perform the labor as far as practical, instead of giving the work almost exclusively to foreigners, as has been the custom here before. The people feel that since both the interest and principal of these bonds must be met by the taxpayers, they should be given an opportunity to do the work and not be supplanted by men who are not citizens and never expect to be.

Personal contact with the voters of my race has convinced me that some assurance of the realization of the above demands will go a long way towards influencing their vote.

J. W. ROBINSON.

MOUND DAY FUND

As Reported by the Treasurer Shows \$1,250 Raised by School Children.

CHARLESTON, Jan. 12.—State Treasurer Newton Ogden furnishes a statement showing the amounts received in the recent school collection for the Mound Fund. It shows the total amount on hand and in bank to be \$710.22. In addition \$350.27 more has been reported collected, but not yet turned over to the state treasurer, which would bring the total amount raised by the children on Mound Day to \$1,250.49.

STOP THAT SCRATCHING!

Just as Long as You Have Dandruff Your Head Will Itch.

It's the little microbes that are gnawing down into the hair roots. It may take a long time for these persistent pests to get down to the vital part, but when they do they will destroy the life of the hair in a very short time.

"My hair was falling out rapidly and becoming gray when I read of your guaranteed hair restorer, and

after using one bottle, my hair has stopped turning gray, the first application removed the itching, my hair stopped falling out, and I now have a new growth of hair and it is soft, glossy and pliable."—Carrie Williams, 844 Clinton Ave., South Rochester, N. Y.

Parlsan Sage, the most delightful hair restorer, is guaranteed by Sturm & Wilson to stop falling hair, to cure dandruff and all diseases of the scalp, or money back. It is the most refreshing hair dressing in the world. Ladies use it extensively because it makes the hair beautiful, soft and luxuriant. 50 cents a bottle at Sturm & Wilson's, or by express, charges prepaid, from Giroux Mfg. Co., Buffalo, N. Y.
